

QUESTIONNAIRE

Is the Transformer:

Air Cooled

Oil Cooled

What is the kVA rating: _____

What is the Voltage:

Input Voltage _____

Output Voltage _____

Is the Unit:

Pole Mount

Skid Plate

Does the Transformer require protection devices such as Earth Leakage units & Circuit Breakers:

Yes

No

Are one or more of the following required:

Oil Level Gauge

Temperature Gauge

Silica Gel Breather

Drain Trap

Must the unit have a tap switch:

Yes

No
